Set up a complete small business financial management system quickly and easily. Written by Certified QuickBooks ProAdvisors, QuickBooks® 2016: The Best Guide for Small Business shows you how to maximize all of the desktop software's powerful capabilities, including the new and improved features for 2016. Intuit released its latest version of its flagship product Quicken 2010 on October 11th 2009 so being the geek I am had to acquire a copy for review and see if it's worth the expense both for myself and my readers. If you're looking to replace Quicken, you're in the right place. For years, Quicken was the name in personal finance software. But let's accept reality – Quicken is often broken. In this article, we'll see how to transfer Quicken (along with other programs) from one computer to another, including reports, accounts, data and everything else you need for it to function just as on the old machine.
