Real Leaders Don't Do PowerPoint: How to Sell Yourself and Your Ideas [Christopher Witt, Dale Fetherling] on Amazon.com. *FREE* shipping on qualifying offers. Think about the most powerful speech you've ever heard a leader give. What made that speech—and that speaker—memorable was likely a mix of authenticityDear Twitpic Community - thank you for all the wonderful photos you have taken over the years. We have now placed Twitpic in an archived state.Language Selector. TED.com translations are made possible by volunteer translators. Learn more about the Open Translation Project.As the title states, being a leader has nothing to do with a title, and everything to do with attitude, action and execution. It's more about being out front, not managing, but leading by your attitude and service, by your commitment.
